

## **New appointed General Manager**

We are pleased to announce that we have appointed a new General Manager to replace Mark when he leaves at the end of December.

Chris Simonds has extensive experience in management, communication and hospitality and will begin training with Mark in October. The application and interview process has been thorough and careful.

We are confident that Chris is the right person for the role and we are really looking forward to welcoming him on board.

Yours Sincerely,

Stephen Read  
*Chairman*
