To all residents, bungalow residents, family members and visitors

Quebec Hall Trustees and Management have decided to cancel all events that were previously planned as per the “What’s on” Events List 2020 until the end of September 2020. This will be subject to change if necessary.

Sadly that means Open Day will be postponed to next year. We will let folk know when a date next year has been set. This is all very sad but we hope folk will appreciate the gravity of what we are doing to protect the vulnerable folk that we look after in these current times.

As you know we have in force up to and including 14th May 2020 a lock down which stops all family and visitors entering Quebec Hall with the exception of Health Care Professionals and tradesman if required. This will be looked at again next week and we will communicate what further steps we will take to ensure the safety of our residents and staff.

May we again ask that all folk living on site adhere to whatever guide lines are given by the Government with regards to social distancing and going out as we cannot afford to be complacent or allow our guard to drop it seems for at least the rest of this year or until a vaccine is found.

At all times we continue to follow closely all advice given by Heath Authorities and take all precautions as we deem necessary.

Thank you for your continued cooperation.

Mark Woodgett. On behalf of Trustees and management.
